## GAME DESCRIPTION

The Last Vikings has it all, stunning visuals and sounds taking the player back to the end of the era of the last remaining Vikings who are still loyal to the Norse gods. These Vikings have special powers and deliver these individually within the base game. With the added bonus of 117,649 pay lines this game can deliver some berserker wins. Wild reels, Multiplier increase, Morphing symbols and Ways Increase, all mean this game has a plethora of features across the entire experience.

During the Free Spins, all four Vikings are active. When one lands on the top row, they grant the player their unique, individual power. Each victorious cascade increases your win multiplier. Furthermore, the blessings of the Vikings can strike singular or in a mighty combination.

The Buy Feature is available in jurisdictions that allow it.
