

FUNNY Fruits FRENZY

Three cartoon fruit characters are positioned at the bottom of the title. From left to right: a purple grape with a green leaf, a yellow lemon wearing blue-rimmed glasses, and a pink watermelon slice with a large red cherry in its mouth. They are all smiling and appear to be splashing in a pool of red liquid.

GAME DESCRIPTION

Funny Fruits Frenzy is a 10 win line 3x5 game with multiple features which can be won from the base game. This game also has an increased chance of winning the features by upping your original base stake. A very popular mechanic with players which offers a medium to high volatility experience.

Funny Fruits offers 2 features within the game. The first feature is activated by landing 3 or more Wilds in the base game anywhere. In the feature you spin in Multipliers or extra spins. The freespins feature is a trail based feature where collecting Funny Fruits symbols moves you along the trail and can give you additional free spins with added multipliers. Any cash values that land with a Funny Fruits symbol collects and adds up all values for that spin.

Feature Buys are also available in allowed jurisdictions.
